RESOLUTION 30950

A RESOLUTION establishing a special committee of the Seattle City Council to review and make recommendations relating to pedestrian safety initiatives carried out by the City of Seattle during 2007 and 2008.

WHEREAS, the City of Seattle will begin development of a Pedestrian Master Plan in 2007, which will articulate the City's pedestrian policies and indicate desirable long-term pedestrian infrastructure improvements; and

WHEREAS, the Council and Mayor intend to work collaboratively on the development and implementation of a pedestrian safety public education and enforcement campaign to be carried out in 2007; and

WHEREAS, notwithstanding the comparatively high ranking of pedestrian safety in the City of Seattle, the Council remains concerned about the annual number of pedestrian fatalities and injuries; and

WHEREAS, the Council has determined that pedestrian safety activities planned for 2007 and 2008 are of sufficient importance to justify consideration in a special Council committee dedicated to this single issue; NOW THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE:
